Re: IFB 724-11006 SLUDGE DISPOSAL SERVICES RENEWAL REQUEST

Dear Mr. Hall:

The above referenced contract provides for four successive renewal options of one-year duration, each. The Facility wishes to renew this contract for the first (1st) renewal period of one year. The renewal period would commence April 1, 2012 and continue through March 31, 2013.

Please indicate below your intent regarding the renewal of this contract. Please keep in mind that the optional utilization of another services provider is often based on most favorable pricing.

The following policy was enacted by the Department of General Services, Division of Purchases and Supply, Agency Procurement and Surplus Property Manual through PIM 29 effective 10/17/11:

eVa BUSINESS-TO-GOVERNMENTVENDOR REGISTRATION:

All purchase transactions, regardless of funding source, governed by the *VPPA* without regard to agency specific exemptions, shall be processed through eVA to eVA registered vendors.

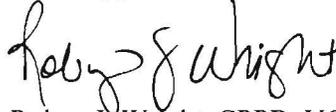

The eVA Internet electronic procurement solution, website portal www.eva.virginia.gov streamlines and automates government purchasing activities in the Commonwealth. The eVA portal is the gateway for vendors to conduct business with state agencies and public bodies. All vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet eprocurement solution either through the eVA Basic Vendor Registration Service or eVA Premium Vendor Registration Service. All bidders or offerors must register in eVA; failure to register will result in the bid/proposal renewal being rejected. Effective July 1, 2011, vendor registration and registration-renewal fees have been discontinued.

The vendor transaction fee will be invoiced, by the Commonwealth of Virginia Department of General Services, approximately 30 days after the corresponding purchase order is issued and payable 30 days after the invoice date. Any adjustments (increases/decreases) will be handled through purchase order changes.

Should you have any questions, please contact me at 540-375-4360. A response is required by facsimile (540-375-4320) or mail, no later than close of business on **February 10, 2012**. After review of intent, we will distribute under separate cover, a contract renewal document that will include any changes for the new contract period.

We look forward to working with you another year.

Sincerely,

Robyn J. Wright, CPPB, VCO
Director of Purchasing & Contracting
