

Guidelines:

- Schedule your activity to occur during the month of May
- Design your event to promote your theme.
- Focus your activity around building awareness about children's mental health, as well as offering resources.

Fill out the **Event Pledge Form** on this webpage or go to the following link to register and promote your event: <http://www.surveymonkey.com/s/CKTD66C>
This will help us recognize your success and share best practices with each other.
