Virginia Commonwealth University (VCU) is pleased to offer training participants **Continuing Education Units (CEUs)** for their attendance at this event being held at various location throughout Virginia in collaboration with the Department of Behavioral Health & Developmental Services.

The Continuing Education Unit (CEU) is a uniform unit of measurement for non-credit continuing education activities. One CEU is defined as ten contact hours of participation in an approved CEU Event. The CEU does NOT equate to regular University undergraduate or graduate credit.

The CEU provides a means of recording an individual's successful completion of various continuing education activities. As a result, students are able to accumulate and transfer continuing education records throughout their lives. It is solely up to outside certifying agencies, and not VCU, whether to accept or decline VCU CEUs for the purpose of certification or licensure renewal.

To request CEUs, you must first go to <https://www.continuingstudies.vcu.edu/wconnect/aai3/home.htm> and log on if you have an account with us, or click 'Create Account' to create one. Once logged in, click on 'Complete Listing' then choose the appropriate course. Click 'Enroll Yourself' and select the training/workshop that you attended. The non-refundable processing fee of \$30 must be paid upon enrollment to receive the .6 CEUs offered for this training.

The deadline to request CEUs for this series of Mental Health First Aid is April 30, 2015.

Please wait at least two weeks after the event to retrieve and print your official CEU transcript. To print your transcript, log back into <https://www.continuingstudies.vcu.edu/wconnect/aai3/home.htm> click 'View My Registration History' then click on 'Completed Courses.' It is the responsibility of the participant to obtain your CEU transcript. Transcripts are not automatically sent.
