

IFSP is accepting self-nominations for our State and Regional Councils!

The Individual and Family Support Program (IFSP)'s State and Regional Councils are seeking new members for 2024!

Here's who we're looking for:

Self-advocates, family members, or professionals who support people with developmental disabilities,

People interested in helping to increase supports for people with disabilities to live in their communities,

And

People interested in representing the voices of individuals with developmental disabilities and their families ... and in growing their leadership skills.

The application closes on
Wed., Nov. 15th!
