

New date!

The IFSP is accepting self-nominations for our State and Regional Councils!

The Individual and Family Support Program (IFSP) State and Regional Councils are seeking new members for 2025!

Here's who we're looking for!

Self-advocates, family members, or professionals who support people with developmental disabilities,

People who are interested in helping to increase supports for people with disabilities to live in their communities,

People who are interested in representing the perspectives of people with developmental disabilities and their families, and

People who are interested in growing their leadership skills!

The application closes on Friday, September 27th!
