January 31, 2025

As of January 29, 2025, the Individual and Family Support Program (the IFSP) has begun issuing funds for applications that were approved. Your funds are issued via a debit card called **Way2Go Card**.

You can use your card just like any debit card, or if you prefer, you can withdraw the funds from your card at an ATM. You will need to register the card before you use it. **Please register your card as soon as you get it.** You will register the card using the information that you provided on your application. *If you applied on your own behalf, you will need to provide your Social Security number and date of birth when you call. If you are the custodial family member, you will need to provide your own Social Security number and date of birth.*

DO NOT THROW AWAY YOUR MAIL!

For security purposes, the letter and card will arrive by U.S. postal mail in an unmarked plain envelope with a return address from Lexington, KY.

ATTENTION: Cards are printed and issued using the name of one of the following:

The Virginia Way2Go Card® Debit MasterCard® Card is issued by Comerica Bank pursuant to a license by MasterCard International Incorporated.

1. The individual over the age of 18 who applied on their own behalf;
2. The custodial family member who applied on behalf of an individual who is under the age of 18; or
3. The custodial family member who applied on behalf of an individual who is over the age of 18.

Cards must be managed by an individual over the age of 18 years old. If you are a custodial family member who applied on behalf of someone else, you are accountable for the funds.

Your card will come with additional instructions on how to register and use it.

Before you use your Way2Go Card, there are a few things the IFSP would like you to know:

- All cards have been mailed directly to the address that was provided for an individual or their custodial family member when the application was completed. If you notified the IFSP of an address change before January 16th, 2025, your card will go to that updated address. If you notified the IFSP of an address change after January 16th, 2025, you will be contacted by the IFSP staff after February 15th.
- If you recently moved, you did not set up mail forwarding services, and you do not receive your Way2Go Card by February 15th, 2025, please email the IFSP at IFSPSupport@dbhds.virginia.gov. Please include your Application ID number and correct mailing address. (Your Application ID is the nine-digit character sequence beginning with "FY25", e.g. FY2500000).
- Each approved applicant will receive one pre-loaded Way2Go Card. If you are the custodial family member for multiple applicants, please be on the lookout for one card for each applicant. Your name will be printed on each card.
- **New this year:** We have developed an informational video to help you register your card! This video will also include other troubleshooting tips. Look for it next week on the My Life, My Community [IFSP-Funding page](#).
- Please do not send receipts to the IFSP or DBHDS by postal mail, email, or fax. Instead, we ask that you please maintain receipts per Section V of the [IFSP-Funding Program Guidelines](#).
