ANNUAL OPERATING STATEMENT & WORKING BUDGET

INTRODUCTION

The Annual Operating Statement and Working Budget provide financial information regarding actual and anticipated revenue and actual and anticipated expenses. Actual revenue and expenses reflect the revenue received and costs incurred for the most recent complete year of facility operations. Anticipated revenue and expenses reflect the expected revenue and expenses for the next year of operations and constitute the working budget for the facility. This form is of primary importance in providing selected information needed to determine financial responsibility as required by the Regulations. The instructions for completing the form which follow describe the information to be recorded for each item.

INSTRUCTIONS FOR COMPLETING THE FORM

ACTUAL AND ANTICIPATED REVENUE: This section should reflect the actual and anticipated annual income available to operate the facility. It should not reflect the actual and anticipated annual income of the applicant(s) unless this income was or will be used to operate the facility. Anticipated amounts should be as accurate as possible and supported by confirming documentation to the maximum extent feasible. Actual amounts should be supported by confirming documentation.

1. **Fees for Children in Residential Care:** The actual and anticipated revenue which was or will be received each year as fees or payments for care should be entered here. Anticipated values should be based on the rate per child to be charged by the facility and the number of children that will actually be in care during the next year of operation. This may be estimated to be less than the licensed capacity which is being requested on the application and, if so, should be used rather than licensed capacity in determining the anticipated revenue to be received.
2. **Fees for Other Clients/Services:** The actual anticipated revenue which was and will be received each year as fees or payments for care or services provided to children other than those in residential (24 hour) care **Federal Funds:** The revenue which was and will be received each year from Federal agencies.
3. **State Funds:** The revenue which was and will be received each year from State agencies.
4. **Local Funds:** The revenue which was and will be received each year from localities.
5. **Income from Investments:** Annual income to support facility operation which was and will be provided by any existing investments.
6. **Endowment/Trust Funds(s)** Revenue which was or is to be received for the entire year from any endowments or trust funds which currently exist and provided or would provide income to be used to support facility operations.
7. **Donations/Solicitations:** Income received or estimated to be received from such sources as religious or fraternal organizations, United Way funds, fund drives and solicitations, or any other fundraising activity used to support facility operations.
8. **Other (Specify):** Annual income received or estimated to be received from any other source(s) which will be used to operate the facility. Specify each source and the amount.

ACTUAL AND ANTICIPATED EXPENSES: This includes actual and anticipated annual expenses of service operation. It is the total of all expense items shown below. Three major categories of expenses are shown. The explanations of the sub-headings are intended to assist the applicant in understanding the number and types of financial considerations which may be involved in facility operation, and to assist the Department in evaluating the facility's application.

DBHDS REGULATION OF CHILDREN'S RESIDENTIAL SERVICE INSTRUCTIONS FOR COMPLETING THE BALANCE SHEET FOR

PRIVATE SECTOR FACILITIES

INTRODUCTION:

The purpose of a balance sheet is to show the financial condition of a business on a specific date. A Balance sheet consists of a listing of the assets and liabilities of a business and the owner's equity. Assets are further classified as current assets and plant and equipment. Liabilities are further classified as current and long term liabilities. This form is important in providing information needed to determine financial responsibility as required by the Regulations.

INSTRUCTIONS FOR COMPLETING THE FORM

ASSETS

CURRENT ASSETS: For each category, enter the assets which quickly can be converted to cash and which are reserved to meet immediate expenses of operating the facility.

Cash: Include currency, cash in checking accounts, and cash in savings accounts. The amount shown must be available now to operate the facility.

Monetary Investments: Include Certificates of Deposit, Savings Bonds, Treasury Bills, and other investments which quickly can be converted to cash. They currently must be owned by the applicant and identified for immediate use in operating expenses of the facility.

Negotiable Securities: Include stocks, corporate bonds, etc., which are owned by the applicant and are identified for use, if necessary, in operating the facility.

Accounts Receivable: Include monies owed to the applicant which are due within one year and would be used, if necessary, when received to fund operation of the facility.

Notes Receivable: Include promissory notes held by the applicant which are due within one year of the date of application and whose proceeds would be used, if necessary, to fund operation of the facility.

Other Current Assets: Include any other assets which quickly could be converted to cash within the operating year and used, if necessary, to fund operation of the facility.

LIABILITIES

CURRENT LIABILITIES: For each category, enter all liabilities which must be paid within the next 12 months.

Accounts Payable: Include the sum of the total unpaid salaries and payment of all unpaid bills and financial obligations which fall due within the next 12 months with the exception of mortgage payments and installment loans. Examples include utility bills, unpaid salaries/wages to current employees, charge accounts, and credit cards.

Notes Payable: Include all payments that must be made within the next 12 months on existing contracts, mortgages and installment loans.

Other: Include any other existing obligations that are due during the next 12 months. Include payments of obligations which are in arrears such as income taxes, property taxes, insurance, interest payable, etc. Itemize each item separately.

LONG TERM LIABILITIES: For each category, enter the liabilities which are due more than one year from the date of the Balance sheet.

Mortgage(s) Payable: Include the total amount necessary to liquidate any mortgage(s) on the facility less the amount reflected as part of mortgage(s) payable as current liabilities.

Notes Payable: Include the total amount necessary to liquidate all outstanding contracts, installment loans or promissory notes less the amount reflected as part of the notes payable amount reported as a current liability.

Other: Include all other long-term liabilities which are owed and were incurred to support facility operations. List each item separately.
