

The Individual and Family Support Program

IFSP-Funding Update March 14, 2023

Important information about the current IFSP-Funding cycle

The IFSP-Funding Portal opened for applications on January 23rd and closed on February 22nd for individuals with a Priority 1 Waitlist status. The Funding Portal opened for applications on January 25th and closed on February 24th for individuals with a Priority 2 and 3 Waitlist status. IFSP received over 4,900 Funding applications.

Currently, the IFSP team is reviewing all applications. Once again, receipt of your application does not guarantee funding.

We know that you will want to hear more about the status of your funding request. At this time, you do not need to contact IFSP or call My Life, My Community. **IFSP will notify you by email if additional information is needed to process your application.** Please note that emails from IFSP will be sent to the email address that was provided in the Individual's Information section of the application, so be sure to check your email regularly.

We appreciate your interest in IFSP-Funding as we work towards completing our review process for individuals and families on the waitlist.

Any IFSP-Funding updates will be posted to the My Life, My Community website and on our social media pages, and emailed via the IFSP email list.
