

**Commonwealth of Virginia:
Supported Decision-Making Discovery Tool**

Who do I want to support me? Supported Decision-Making Agreements are made up of Supporters and Decision Makers. You are the Decision Maker and the people you choose to help you are the Supporters. You can choose anyone you want to be your Supporter and you can choose to have many supporters. Some Supporters might help you in one area of life and others might help you in several areas. The decision is up to you.

When thinking about who you want as a Supporter, think about people that you trust and talk to them to see if they will agree to be your Supporter.

You can use this form to help you think about the different people who already help you in your life. Your name goes in the center circle. Write the names of the people who help you in the category that best fits them. People who you feel closest to will go in the circle closest to your name. People that you do not feel as close to or that you do not look to for help as often can go in the outer circle.
