Office of Licensing

Why was Jasmine short of breath?

- The weather had changed, and she usually has difficulty with the change in air pressure. The inhaler was ineffective when she used it.

Why wasn't Jasmine's inhaler effective?

- Observation of her inhaler indicated that the inhaler was expired and empty.

Why was the inhaler expired and empty?

- Jasmine does not have a routine for checking the expiration date.
- She did not keep her routine check-up with her doctor.

Why didn't Jasmine keep her routine check-up with the doctor?

- Support staff did not follow the plan for assisting Jasmine with putting the appointment on her calendar.

Why didn't support staff follow the plan regarding assistance with scheduled appointments?

- There was no 2023 calendar purchased to record appointments and some appointments made in 2022 were not recorded on the calendar.

Statement of Cause(s)

- Jasmine's support plan does not include specific training for use and care of her inhaler.
- Jasmine did not have a plan to ensure her inhaler prescription was current and filled.

Recommendations/Action Plan (*Solutions to mitigate the potential for future incidents*):

There are no recommendations at this time. There were no underlying causes under the provider's control.

Recommendation(s)/Technical Assistance: Click or tap here to enter text.

Action Plan:

1. **Complete an Evaluation for Independence with Medication Self-administration.**
2. **Modify Jasmine's Individual Support Plan to indicate if Jasmine is able to check expiration date and know how to determine when the inhaler is almost empty.**
3. **Monitor Jasmine's use of her inhaler.**
4. **Assist Jasmine with purchasing a calendar. Assist as needed with the use of her calendar for future appointments.**
5. **Train all support staff regarding any changes to Jasmine's plan.**
