

## Radio – Beyond the Bet

### Entertainment Not Income :30

VOICEOVER: Sports betting is entertainment, not an income. There's never a guarantee of making money, and you should always be prepared to lose. It's time to move beyond the bet. Call 1-800-GAMBLER or text 800-GAM to talk to someone who knows how to help. It's free, and confidential.

### Don't Let Bets Become Debts :30

VOICEOVER: If sports betting is starting to control your life and your finances, it's time to move beyond the bet. When you gamble on sports bets, you risk not having enough money for the things you need. Your money should support your life, not hold you back and cause stress. Don't let bets become debts. Call 1-800-GAMBLER or text 800-GAM. It's free, and confidential.

### Seek Help :30

VOICEOVER: Is sports betting taking up more and more of your time and money? It might be time to seek help. You can call 1-800-GAMBLER or text 800-GAM for free, confidential help. Move beyond the bet and take control of your finances.
